Ken's Comments

Many people are suffering this week from the ice and snow storms. Please say a special prayer for them. We are very fortunate to have been spared from this devastation.

The hardships of life should cause us to focus on the wonderfulness of heaven and make sure we are living to go there. The Lord and his church must be the focus of our lives. It's so sad to see families with precious children without this focus and purpose. We all should regularly evaluate our lives and be honest about our emphasis.

On the other hand, we have some of the most dedicated young families I have ever seen in the Arab congregation. These families cheer my heart and are a great inspiration and example to everyone. These young men and women show that the Arab Church has a great future. Thank you for your love for the Lord and His church and the blessing you are to all of our lives.

Speaking of blessings, thank God for all the precious children and babies we have. The good Lord is truly smiling on us. And yes, we have several more on the way!

Verses about children:

1. Psalm 127:3-5.
2. Proverbs 17:6.
3. Proverbs 22:6.
4. Deuteronomy 6:6, 7.
5. Proverbs 29:17.
6. Genesis 18:19.
7. Ephesians 6:1-4.

As you have your devotionals this week please study these verses carefully.

I look forward to another great day with you Sunday. God bless you for all you are doing for the cause of Christ.

Always remember how much Hannah and I love and appreciate you.

Welcome! We are glad you are here.

We are pleased and honored you have chosen to visit with us today. The Arab Church of Christ is a church family devoted to serving God through our lives and work. We follow no creed or manmade doctrine. Our only authoritative guide is the Bible. As we worship together today, our desire is to worship God according to the New Testament pattern in a way which is pleasing and acceptable to Him.

Should you have any questions, comments, prayer requests or need assistance in any way, we are here to help. Please fill out a visitor's card and place it in the contribution tray at the appropriate time.
